Annual Goal Setting

Goal Setting: Every young man should establish a habit of goal setting in order to improve his service in the kingdom of God. Use the section below to determine how you can grow into a well-rounded, mature man of God. (It is recommended that each boy have his parent or commander assist him in developing and recording his goals for the coming year.) Completing this chart will help you determine, assess, and evaluate your goals and fulfillment of those goals for the past year and goals you are setting for this next year. Once you have completed this chart, add 50 points in box V-A above. It is important to use goals that are measurable, such as numbers. For example, you set a goal of earning three advancement steps, but you earned four steps. This would encourage you to increase your goal for next year.
