Notes and Information

- Access to the internet to download the files needed for pre-study materials is required.
- Read and study all information from the downloaded files. Allow plenty of time to study and review the information before taking the pre-study the exam.
- After adequate study, follow the directions on the pre-study information guide from the download file. These instructions will detail how to access the online test and enter the access code. The online test is an **open resource test (ORT)**. A minimum score of **85%** is required to pass. If you score less the 85% you will be allowed **only one retake**.
- The pre-study exam must be completed a minimum of **45** days prior to National Advanced Academy.
- Upon successful completion of the pre-study exam, the national Royal Ranger training office will email you further instructions and an application packet to attend National Advanced Academy.
- The application and all informational forms must be received within **30** days of the National Advanced Academy start date. As you will not receive your teaching assignments and other final preparatory information for Academy until these are returned, it is recommended that you return your application and accompanying forms **immediately** after receiving them.
- Your current training academy status will be verified by the national office before you receive the pre-study information.
- If you have any questions, please call the national training office at 417-862-2781, x4179 or email rrtraining@ag.org.

*** All candidates must have served on staff at NRMC prior to attending Advanced Academy.**
