

Advanced Academy Guidelines

Please keep these guidelines for your review and return only the application to the RR Training office.

Pre-Study Requirements:

- Current CI, CS, or IT status
- Previous completion of National Academy.
- Be at least 21 years of age
- Have experience serving on staff at NRMC's.
- The Regional Coordinator and Regional Training Coordinator will discuss potential candidates with the District Director.
- Candidates who have been recommended by district and regional staff must submit an application to the national training office for access to pre-study course.
- It is strongly recommended that you submit the pre-study application a minimum of 2 months prior to the start date of National Advanced Academy.

Upon acceptance of the pre-study course application, the national office will send study material and information on how and where to set up a login at a secure link to access the pre-study exam. The Advanced Academy Pre-Test covers all aspects of NRMC.

- Candidate must score a minimum of 85% to pass
- Only one retake will be allowed
- Please Note: candidate must complete the on-line open book exam at least 45 days prior to the start date of Advanced Academy.

Upon successful completion of the Advanced Academy Pre-Test, the national office will send an Academy invitation packet that will include the following:

- Academy Application
- Staff Skills Questionnaire
- Participant Medical History Form
- Information for completing a personal strengths assessment (if not already taken within the past 5 years)

The Advanced Academy application and all informational forms must be received within **30** days of the Advanced Academy start date.

Applicants will also receive details about how they will be evaluated at academy.

Evaluations will include (but are not limited to) the following:

- Closed book exam
- Uniform inspection
- Patrol Advisor skills
- Rotating Activity facilitator skills
- General event set-up and tear down
- Friday and Saturday evening council service set-up
- Registration
- Skills in your chosen "area of emphasis" among the 5 specialized leadership roles.
