

# Model Rocketry Merit

**Note:** Prior to beginning this merit, you must complete the Rocketry Merit. The Rocketry Merit focuses on the safety and general knowledge of model rocketry that are critical for this merit.

Rocketry Merit completed

1. Build two skill-level 3 rockets of different styles.
2. Launch both skill-level 3 rockets three times.
3. Draw, design, and build a rocket.
4. Read one book on the history and design of model rockets. List the title and author in your workbook.
