Once filled out, please email this order form to 5.11 Customer Service representative Cindy Flannary at **CindyF@511tactical.com**. Cindy will then book the order and let you know when she is ready to accept credit card information over the phone. Once the order ships (typically in 3-7 business days), 5.11 will email you an itemized receipt with tracking information. The Royal Rangers have pre-selected the pant available to you, which is the 74273 Taclite Pro Pant in color Dark Navy. Size options on that pant are as follows and all sizes will be in even numbers: waist 28-54" and inseam length 30-36". Waist size 46-54" will come unhemmed. Pricing will be 40% off MSRP + tax and shipping. After discount, that makes the pants \$37.80 (waist sizes 28-44") or \$43.20 (waist size 46-54"). Thank you!
