Frontier Hawkman

MERIT REQUIREMENTS CHECKLIST

INTRODUCTION

The Frontier Hawkman merit is a part of the Arrowhead merit series developed by the Frontiersmen Camping Fellowship (FCF). Although Arrowhead merits are intended to provide FCF members with specialized training on advanced frontier skills, any Royal Rangers boy may earn an Arrowhead merit and any Royal Rangers leader may teach an Arrowhead merit regardless of FCF membership status. As with any merit, the boy's group leader approves the completion of all Arrowhead merits.

Boys seeking to earn this skill merit or adult leaders seeking to earn the related Arrowhead award must accumulate a minimum of 15 points from any combination of the following requirements. For information on Arrowhead merits and Arrowhead awards, refer to the *Frontiersmen Camping Fellowship Handbook* (2014 edition).

MERIT REQUIREMENTS

1. Using an eighteen-inch diameter hawk target, throw the hawk at single-revolution distance and stick the hawk ten times in a row. (1 point)
2. Using blacksmithing skills, hammer forge a functional hawk head. (3 points)
3. Develop and conduct a hawk-throwing trail walk including at least three different throwing stations at a Royal Rangers or FCF event. (3 points)
4. Properly sharpen a hawk using methods that would have been available prior to 1840. Demonstrate hawk-sharpening skills at a Royal Rangers or FCF chapter event. (1 point)
5. Construct a standard for holding an eighteen-inch diameter hawk round target and conduct a hawk-throwing event in a local outpost as an FCF promotional event. (2 points)
